

Venue: Naruto International Cricket ground Uchinoumi Park

Date line of the Cricket History: 3rd May 2005 Time: 15:30~

Condition of the ground:

A vast grassy field surrounded by natural beauties. One side there are some beautiful mountains and other side is on the bank of Inland sea. One of the world biggest cricket fields which have no boundary line.

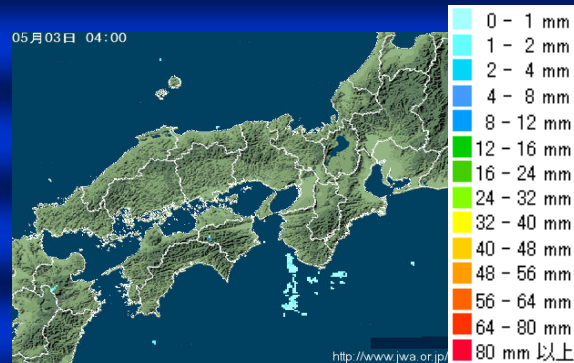

Bangladeshi Players practicing at NICGUP

Weather Report (Courtesy by: www.tenki.jp)

One of the best conditions to play cricket. A lot of Super plays had been marked on this condition. No doubt this match will be a milestone for the development of Tokushima Cricket Associations. We are grateful to tenki.jp for providing the first ever weather report for Cricket in the ground of NICGUP.
